THE TRADE MARKS ACT, CAP 506 OF THE LAWS OF KENYA

**PUBLIC NOTICE UNDER THE PROVISIONS OF SECTION 23 OF THE TRADE MARKS ACT AND RULES 67 AND
68 OF THE TRADE MARK RULES**

Section 23 of the Trade Marks Act provides that registration of a trade mark in Kenya shall expire after a period of **ten (10) years**. The Act also provides that the proprietor of a registered trade mark may make an application for renewal of the trade mark upon completion of the prescribed Form TM 10 and payment of the prescribed renewal fee.

Rule 65 of the Trade Mark Rules provides that where no application for renewal of a registered trade mark is received upon expiry of the ten year period, the Registrar of Trade Marks shall notify the proprietor of this fact. Where no application for renewal of the registered trade mark is received within a period of **sixty (60) days** from the date of the notice for renewal by the Registrar, rule 67 of the Trade Mark Rules requires the Registrar of Trade Marks to publish this fact.

In accordance with the above provisions, the Registrar of Trade Marks hereby notifies the public that the proprietors of the trade marks indicated below were duly notified and that they did not file applications for renewal of their respective trade marks.

In accordance with the provisions of rules 67 and 68 of the Trade Mark Rules, the public is hereby notified as follows:

- (a) Where the proprietor of a registered trade mark makes an application for renewal of a mark that has been published herein and pays the renewal fee together with the additional prescribed late renewal fee **within thirty (30) days** from the date of this publication, the trade mark shall be renewed and shall not be removed from the Register of Trade Marks;
- (b) Where no application for renewal of a trade mark published herein is received **within thirty (30) days** from the date of this publication, the trade mark shall be forthwith removed from the Register of Trade Marks; and
- (c) Once the trade mark is removed from the Register of Trade Marks, the proprietor may thereafter make an application for renewal of the mark upon payment of the prescribed renewal fee together with the additional prescribed restoration fee. The trade mark shall then be restored to the Register of Trade Marks upon the Registrar of Trade Marks being satisfied that it is just to do so and upon imposing such conditions as the Registrar may deem fit.
